claims procedures

Had an accident? Don't panic!

Here's what to do.

The law

By law, you must stop if there is damage to any vehicle or property, or injury to any person, or certain animals, including dogs and horses. You must give your name, address and insurance details to anyone with good reason to ask.

How to help us help you

Make sure you get the names, addresses and phone numbers of any drivers, passengers or pedestrians involved, and details of any witnesses. By law, drivers must provide details of their insurance company and their policy number.

A diagram of the accident scene is often helpful. Try to draw one as soon as possible after the accident – show vehicles, the road layout, other relevant features and the positions of any witnesses.

Never admit blame or liability for an accident or offer to pay for any damage. Please tell us if any other person admits blame.

Even if you do not plan to make a claim, please call our claim line on 1890 24 7 365.

We can usually get all the information we need in one phone call, but sometimes we may ask you to fill in a claim form.

Car crime – beat the criminals

Don't give criminals an easy ride

Most car crime can be prevented – and it's in your interest and ours to take some simple precautions.

Most things are common sense

- Glass etchings (having your car's registration number or chassis number engraved onto your glass) is proven to deter thieves. Contact your local Autoglass branch for free glass etching.
- Never leave valuables on view in the car.
- Use good-quality locks and security devices.
- Never leave your keys in the ignition, even for a moment!
- Remove CD players, radios, portable satellite navigation devices and keep personal belongings from view.
- Park in a secure place if you can. If you have a garage, use it and lock it.
- Do not leave your spare car keys at home in any place where a burglar can easily find them, such as on a shelf or hook. Thieves often break into houses just to steal the car.

your policy wording

This document and any endorsements that are included in it sets out your and our rights and responsibilities.

The insurer that your contract is with is AXA Insurance Limited which is established in Ireland. Both you and we can choose the law within the European Union which will apply to the contract. We propose that Irish law will apply.

The cover you have bought has many benefits to give you peace of mind. However, as with all insurance contracts, there will be circumstances where cover will not apply. These are shown in this document.

Please read your policy carefully.

Your policy includes:

- the policy wording in this booklet;
- the schedule that has your details and the cover that applies; and
- any endorsement which applies.

Unless a section or part of this policy shows the countries to which it applies, the cover provided by this policy applies only to death, injury, loss or damage happening in or between Ireland, the UK, the Isle of Man or the Channel Islands.

As long as you have paid or agreed to pay the premium, we will cover death, injury, loss or damage that happens during the period of insurance as described in the following pages for the sections you have chosen.

On behalf of AXA Insurance Limited

Chief Executive
AXA Insurance Limited
Registered number 136155
Registered office Wolfe Tone House, Wolfe Tone Street, Dublin 1.

general conditions

You must keep to the following conditions to have the full protection of your policy. If you do not keep to them, we may cancel the policy or refuse to deal with your claim or reduce the amount of any claim we pay.

1 Cancelling the policy

To cancel the policy, return your certificate of insurance and insurance disc with a written request to: AXA Insurance Limited, Wolfe Tone House, Wolfe Tone Street, Dublin 1, or your local branch.

When we receive your disc and certificate, if you have not claimed or there is no incident that is likely to result in a claim during the current period of insurance, we will work out a refund on the following basis.

- ➔ If you have had continuous cover for more than 12 months, we will work out the percentage of premium for the period you have been insured and refund any balance after an administration fee has been taken away.
- ➔ If you cancel within the first 14 days after receiving the policy documents, within the first year of insurance, we will work out the premium for the period we have been insuring you on a pro rata basis plus an administration charge. We will refund the balance providing no claims have been made on your policy. You will be charged a pro rata premium or €25 whichever is more for the period you were on risk and this will be deducted from the full premium paid to determine the refund due to you.
- ➔ If you cancel after the first 14 days after receiving the policy documents and within the first year of insurance, we will refund your premium based on the figures in the table overleaf after an administration fee has been taken away.

Period which your policy is in force	Percentage of premium returned
Up to 1 month	80%
2 months	70%
3 months	60%
4 months	50%
5 months	45%
6 months	35%
7 months	25%
8 months	20%
9 months	10%
Over 9 months	Nil

We will not refund your premium for optional extras, such as injury to driver.

We will not refund any premium which is less than €15 after we charge the administration fee.

If you have made a claim or there has been any incident that is likely to result in a claim during the current period of insurance, we will not refund your premium.

We will not refund your premium if you are paying it under an instalment scheme (unless you are paying back any overpayment).

We can cancel this policy immediately if you do not pay the premium or you miss a payment under an instalment scheme.

You must send us the certificate of insurance and the insurance disc.

We, or our authorised agent, may cancel this policy by giving you 10 days' notice in writing, which we send by recorded delivery. We will send any notice to your last known address and we must tell the Department of Environment. You must then send us the insurance disc and certificate of insurance.

Here to help

2 Paying by instalments

If you are paying, or have agreed to pay, the premium for this policy by direct debit from a bank or building-society account, you must keep your payments up to date. If you do not pay by instalments, we will withdraw the option to pay by instalments or cancel the policy (or both).

In the event of a claim in the current period of insurance, you must pay the full yearly premium. We have the right to deduct any premium owed to us from any claim we may pay.

3 Handling claims against you

We may take over and deal with the defence or settlement of any claim in the name of the insured driver.

4 Changes to your policy

You must tell us immediately about any:

- change of car or any other vehicle you buy or take ownership of;
- convictions, prosecutions or any penalty points which apply to you or any other driver of your car;
- change in the driver's health, address or job;
- modifications or alterations to your vehicle including, but not limited to, air induction kits and filters, lower suspension, change to the exhaust, engine maintenance computers or adding of body parts;
- change in use or in the main user; or
- other important change.

If you are not sure whether or not certain facts are important, please ask us.

The premium we quote you for any change to your policy will include an administration charge.

If a change to your policy, including the administration charge, results in a refund of less than €15, we will not refund it to you.

5 If you choose not to or cannot drive your car

If your car is laid up and out of use, you can suspend your cover by returning your certificate and disc of motor insurance.

We will suspend all cover when we receive the certificate and disc of insurance, except for loss of damage caused by fire and theft, or attempted theft, if we cover fire and theft under the policy.

You are entitled to a refund of 75% of the premium for the period we suspend the policy (80% if cover is third party only) as long as:

- your car is not laid up as a result of a claim;
- the policy is suspended for more than 28 days;
- the policy is not issued or renewed for less than 12 months; and
- you do not make a claim during the period of suspension.

You must pay all premiums due during a period of suspension by the due date including any instalment payments.

6 Claims procedure

If there is an accident, you must immediately do whatever you can to protect the car and its accessories. You or your legal representative must give us full details by phoning the claims helpline (1890 24 7 365 or 003531 8583200) within 48 hours, after any event which could lead to a claim under this policy.

There may be circumstances where we need other details in writing. You must also immediately send us any letters and documents you receive in connection with the event before you reply to them.

If you know of any future prosecution, coroner's inquest or fatal accident inquiry about any event, you must tell us immediately in writing.

You, and anyone insured by this policy, must not admit anything, or make any offer or promise about a claim, unless you have our written permission.

You must also give us any information and help we need.

You should not take any action that is likely to prejudice our rights as your Insurer to validate a claim presented under your policy.

If your car is stolen, you must tell us as soon as possible by phoning our claims helpline on 1890 24 7 365. You must also tell the Gardaí.

You must give us or our appointed representative all information and assistance required.

7 Looking after your car

You must do all you can to prevent injury to other people and protect your car and keep it in a roadworthy condition. If you do not do this, your right to claim under your policy may be affected.

You must let us examine your car at any reasonable time if we ask to do this.

You should ensure that:

- your car, car windows and sun roofs are locked and security devices activated when your car is unattended.
- tyres on your car are within the legal requirements.
- you put personal belongings in the boot when your car is unattended.

8 Other insurance

If you make a claim for any liability, loss or damage that is also covered by any other insurance policy, we will only pay our share of the claim.

9 Getting our claims costs back

If we think someone else is at fault for a claim that we pay, we may follow up that claim in the name of anyone claiming cover under this policy to get back the payments that we make. Anyone making a claim under this policy must give us any help and information that we need.

If, under the law of any country in which you are covered by this policy, we have to pay a claim which we would not normally have paid, we may get that payment back from you or from the person responsible.

10 Misrepresentation and Deception

Definitions:

- Misrepresentation is when someone makes a false statement to another person to encourage that person to enter into a contract.
- Deception is when someone gains something, by making someone else lose something.

You must not act in a fraudulent way.

We will take the action shown below if you or anyone acting for you:

- fails to reveal or hides a fact that is likely to influence whether or not we accept your proposal, your renewal, or any adjustment to the policy;
- fails to reveal or hides a fact that is likely to influence the cover we provide;
- makes a statement to us or anyone acting on our behalf, knowing the statement is not true;
- sends us or anyone acting on our behalf a document, knowing the document is false;
- makes a claim under the policy, knowing the claim is false or misleading; or
- makes a claim for any loss or damage you caused deliberately or knew about.

This action applies as well as our other rights

- We will not pay a claim.
- We will not pay any other claim which has been or will be made under the policy.
- We may declare the policy void (in other words, we can treat it as if it has never existed).
- We will be entitled to recover from you the amount of any claim we have already paid under the policy.
- We will not return your premium.
- We may let the appropriate law enforcement authorities know about the circumstances.

If you commit a fraudulent act on any other policy then we may:

- cancel that policy or declare it void from inception
- cancel that policy immediately and return any premium owed to you
- not pay any claims that has been or will be made under that policy
- be entitled to recover from you the total amount of any claim already paid under that policy including any recovery costs
- Inform the Garda Síochána of the circumstances

11 Arbitration

Any disagreement that we have with you and that we cannot settle between us will be referred to the Financial Services Ombudsman's Bureau (see on page 48 for contact details).

If the Financial Services Ombudsman's Bureau will not deal with the disagreement, you have to refer it to arbitration. If you wait more than a year to do this, you will be considered to have abandoned your claim and you cannot take it up again.

12 Payment

Any money paid under this policy will be paid in euro in Ireland.

We have paid or will pay stamp duty to the Revenue Commissioners in line with the conditions of section 19 of the Finance Act, 1950, as amended.

13 Keep to the policy conditions

We will only provide the insurance described in this policy if:

- the information you gave on your proposal form and declaration is correct and complete; and
- you or anyone claiming protection has kept to all its conditions.

section 1

loss and damage to your car

This part only applies if you have comprehensive cover, or third party fire and theft cover and the damage is caused by fire or theft.

What is covered?

We will pay for:

- loss of or damage to your car, and its accessories while in your car, up to the market value of your car;
- the reasonable cost of protecting and removing your car to the nearest competent repairer; and
- if your car is repaired, the reasonable cost of delivering your car back to your address in Ireland.

This will involve:

- repairing your car in an AXA garage or one of your choice; or
- replacing what is lost or damaged, if the cost of repairing it would be more than it costs to replace; or
- paying the cost of the loss or damage to you or the legal owner if we are told that your car belongs to someone else.

We will choose which option is appropriate.

If we choose to repair your car but you choose not to use an AXA garage:

- We will not provide you with a temporary replacement car, and
- We will only pay what our engineer states it would have cost to repair your car in an AXA garage, if the cost of repairs in the garage you choose are higher.

A maximum limit of €200 will operate for all fees connected with towage and storage of your car provided you notify us of any accident or loss within 48 hours. If you notify us after 48 hours we will determine the amount we deem reasonable to pay you for these fees.

Here to help

If your car is stolen and is not found or, after it is found is not worth repairing, we will pay you the market value of your car, including accessories and spare parts at the time they are lost, stolen or damaged.

We will also cover accessories and spare parts of your car, which are in your private garage at the time of the loss or damage.

We may choose to repair your car with recycled parts, where appropriate.

We may use parts that have not been made by the car's manufacturer, but they will be of a similar standard. If any lost or damaged parts are no longer available, we will pay an amount equal to the cost shown in the manufacturer's latest price guide, together with reasonable fitting costs.

If your car is being repaired by one of AXA's garages after an accident, fire or theft, we will give you a replacement car for the duration of repairs agreed by our engineer or up to a maximum of 7 days. This car is usually a class-A or economy-class one litre car.

Fire Brigade Charges

We will pay charges from a local authority (in line with the Fire Services Act 1981) for putting out a fire in your car if the fire gives rise to a valid claim under the policy, or for removing the driver or passengers from your car using cutting equipment.

The most that we will pay for any one claim is €1,000 on top of any amount we will pay under sections 1 or 4 of the policy and will not effect your No Claims Discount

Replacement Locks

We will pay you up to €750 towards replacing locks and alarms for your car if the keys for it are stolen from:

- your home if force and violence has been used to get into or out of your home

We will not pay:

- If your keys are stolen by deception or fraud or taken by a member of your family who normally lives with you
- Any loss where the keys are recovered before the locks and alarms are replaced
- For any loss if you do not report the theft of keys immediately to the Gardai or proper police authority. You will need to have provide written proof you have given this notice.

A claim under this section will not effect your No Claims Discount

Personal Belongings

We will pay you up to €250 for personal belongings carried in your car if they are lost or damaged caused by accident fire, theft or attempted theft

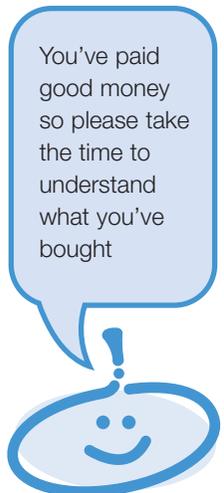

You are not covered for:

- money, stamps, tickets, documents, securities (financial certificates such as shares and bonds), furs or jewellery
- tools, equipment, goods or samples, carried in connection with any trade or business or property insured by another insurance policy: or
- theft of personal belongings if carried in an open-top or convertible car unless they are kept in the boot
- Satellite Navigational Equipment unless fitted by the Manufacturer or Authorised Dealer as original equipment for the vehicle

A payment under this section will not affect your No Claims Discount

Salvage (if your car is written off)

We will settle your claim by replacing your car or by paying the market value (or purchase price of your car whichever is the lower) of your car before it was damaged. As part of settling your claim, your car will become our property and you must send us the vehicle licensing document and keys.

Here to help

Replacing your car with a new one

We will settle your claim by replacing your car with a new one of the same make, model and specification if the car is:

- stolen and not recovered within 28 days; or
- damaged so that repairs will cost more than 60% of the manufacturer's retail list (including taxes and the cost of accessories) at the time of the loss or damage.

We will only do this if:

- the loss or damage happens before your car is one year old;
- you have owned the car or hired it under a hire-purchase agreement since it was first registered as new; and
- you, and anyone else we know who has an interest in your car, agree.

If a replacement car of the same make, model and specification is not available, the most we will pay is:

- the market value of your car and its fitted accessories and spare parts at the time of the loss or damage, or
- the manufacturer's retail price of your car when you bought it less 10%; whichever is higher.

Loss of or damage to a car you borrow from another person

This cover does not apply unless it is shown in your schedule under section 1.

As well as covering you for your legal responsibility to others, we will give you cover as described in section 1. If you have cover under section 2 we will cover damage to any car you are driving (under clause 5(b) of your certificate).

This cover will only apply if:

- the policy schedule shows that your cover is comprehensive;
- the certificate of motor insurance contains the 'driving other cars' clause number 5(b);
- you drive a private passenger vehicle. It does not include:

- Vans;
 - Car-vans;
 - Jeep type vehicles with no seats in the back; or
 - Vans adapted to carry passengers.
- you are responsible for looking after a car that is being driven under clause 5(b) of the certificate;
 - you do not regularly use or drive the car;
 - there is no other insurance policy which covers you driving that car (whether or not that policy would cover what is covered by this extended cover);
 - the car does not belong to you or your husband, wife or partner;
 - the engine capacity of the car is no higher than 2,500 cubic centimetres;
 - you have the owner's permission to drive the car and have been driving it for less than 30 days; and
 - the loss or damage happens in Ireland.

The most we will pay under this extended cover is €50,000.

What is not covered under this section of the policy.

Excess

You will not have to pay an excess if the loss or damage is caused by fire, lightning, explosion, theft or attempted theft. You will have to pay the excess shown on your policy schedule for any other type of claim covered under this section. AXA Insurance will not pay an excess even if you were not at fault. Nor will we seek on your behalf to recover an excess from another person.

Please refer to your schedule to see what excess applies to your policy. An additional excess of €200 applies for all named drivers under 25.

We don't want any misunderstanding, so the things we don't cover are clearly shown in **BLUE** against a light-blue background.

section 2

broken glass

Please check your schedule as you may not have this cover.

Here to help

Your schedule will show if you have this cover. A claim under this section will not affect your no-claims discount.

We will cover the cost of replacing or repairing broken or damaged windscreens, windows or glass in the sunroof of your car, and scratches to the bodywork caused by the glass breaking.

This cover is included as standard for comprehensive cover, as shown in your schedule, and available at an additional cost for third party fire & theft and third party only cover.

Limit of cover

If you use an AXA approved repairer, cover will be unlimited. If you use your own repairer, cover will be limited to €250 per claim.

We will only pay you the market value of the car or the value of the broken glass - whichever is lesser.

What is not covered under this section of the policy

- ↻ The cost of any repair or replacement which improves your car beyond the condition it was in before the loss or damage took place.

We will not pay claims:

- if you are being paid to tow the caravan or vehicle; or
- for loss of or damage to the towed vehicle or to property being carried in the towed vehicle, or for injury to any person being carried in the towed vehicle.

section 5

liability to others

This section of the policy applies to damage or injury happening in Europe unless otherwise stated.

We will pay all amounts you legally have to pay as a result of negligently using your car and any trailer or caravan being towed by it, if you cause the accidental death of, or bodily injury to, any person.

We will also pay up to €30 million if you legally have to pay damages, costs and expenses as a result of negligently using your car and any trailer or caravan being towed by it if you cause accidental damage to property belonging to other people.

1b Driving other cars

This cover will also apply if you are driving any other car which your certificate of insurance covers you to drive. If you are covered to drive other cars, it will be shown in section 5(b) of your certificate of insurance.

- Your employer or business partner, as long as your car is not owned by or hired to either your employer or business partner and your car is being used for a purpose that is allowed under your certificate of insurance and your employer is not covered under another policy.

2b Your legally-appointed representatives

After the death of anyone insured under this policy, we will protect that person's estate against any loss they would have had if we insured that liability under this policy.

3 Legal fees and expenses

If we give you our written permission, we will pay for solicitor's fees to represent anyone insured under this policy at any coroner's inquest, fatal inquiry or to defend anyone insured under this policy in a district court for any accident which might give rise to a claim under this section of this policy.

Proceedings for manslaughter or causing death by reckless driving

We will pay fees for legal services to defend anyone insured under this policy if legal proceedings are taken against that person for manslaughter or causing death by reckless driving. The following conditions will apply to this cover.

- You must ask us to provide the cover.
- The death or deaths giving rise to the proceedings must have been caused by an accident covered by this policy.
- The accident which caused the death or deaths must have happened in Ireland or the UK.
- The most we will pay is €1,270.

What is not covered under this section of the policy.

- Anyone driving your car who is disqualified from driving or has never held a driving licence, or is prevented by law from holding a licence.
- Anyone who is insured under another policy.
- Liability for loss of or damage to property which belongs to, or is with, any person who is insured under this policy and who is driving your car.

- Death or bodily injury to anyone driving or in charge of your car.

It's important that you and anyone insured to drive your car reads this.

section 6 foreign use

Going to Europe?

Full cover will apply for you to travel to Europe for up to 31 days in a row during the period of insurance.

What is not covered under this section

- You are not covered for any legal action taken against you outside European Economic Area, unless it is a result of using your car in a country for which we have agreed to extend this insurance cover.

Here to help

If you are unfortunate to have an accident, please contact us at 00353 1 8583200.

section 7 our right of recovery

If by law we have to make a payment that would not be covered under this policy, you will have to refund the amount to us.

section 8 no-claims discount

If you do not claim during the current period of insurance, we will include a discount in your renewal premium. The discount amount will be in accordance with the No Claims Discount scale applicable at the time of renewal.

If a claim has been made or arisen, your no claims discount may be reduced at the next renewal in accordance with the step back scale applicable at the time of renewal. We will not discount any premiums to insure your car against fire or theft, and premiums for any optional extra cover.

If you make more than two claims in the previous insurance year, we will reduce your no-claim discount to nothing.

If we make payments that we have not claimed back from another person, the claim will count against your no-claims discount even if you were not at fault. We may decide not to claim back from another person, or may claim without success.

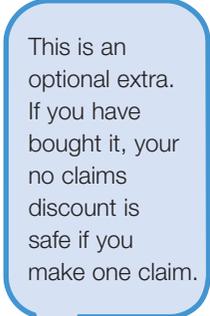

For no-claims discount purposes a period of insurance is one year between the beginning of the policy and the date you renew it, or between renewal dates. You cannot transfer your no-claims discount to anyone else.

Your no-claims discount will not be affected by:

- payments under section 1 for fire and theft claims;
- payments made under section 2 Glass breakage;
- payments for emergency treatment the law says we must pay;
- payments (together with associated costs and expenses) which we later get back in full; and
- payments for personal belongings and replacement locks.

We will ask you to renew this policy before the renewal date.

If you make a claim just before you next renew your policy, this may not be

This is an optional extra. If you have bought it, your no claims discount is safe if you make one claim.

reflected in our offer for you to renew cover. If this happens, you can ask us to change our offer of renewal, or wait until the following renewal date for that claim to be taken into account.

section 9 protected no claim discount

You can buy this cover for an additional charge.

Your schedule will show if you have chosen this cover.

You can pay an extra premium to protect your no-claims discount. This cover allows you to make one claim without reducing your no-claim discount.

We will treat a second claim as one claim and we will reduce your no-claim discount in line with the scale shown earlier. Once you make a claim, we will remove the protection for later claims and you will not qualify for protection for at least three years. If you make a second claim, that claim will affect your no-claims discount.

Although you can protect your no-claim discount, your premium may increase if:

- you make unreasonably large or excessive claims;
- you receive motoring convictions; or
- we decide it is necessary for any other reason.

Lifetime no claim discount

We only give this cover to loyal AXA customers, and you cannot buy it or apply for it.

If you have this cover we will not reduce your no-claim discount no matter how many future claims you have or what type they are. However, if you abuse this cover, we can remove it at any time. Only we may decide whether to remove the cover or not. If this happens, we will ignore claims that have arisen while you had this cover when setting future premiums.

This cover only applies in the following circumstances

- If you or your husband or wife are the drivers involved in any claim and you are 30 years of age or older. If the driver is your husband or wife, they must be covered to drive your car by this policy.

- The driver must not have been convicted of any serious offence in connection with an accident that results in a claim. A serious offence is one that involves either driving under the influence of drink or drugs, refusing to provide a sample or leaving the scene of an accident, or similar offences.

Even though the no-claims discount we give you will not be affected, any statement of no-claim discount we issue will be drawn up as if you did not have any of this protection and, any claims you have will appear on this statement. Other insurers may take those claims into account when deciding to insure you or in setting your premium.

Combined no-claim discount protection

If you have lifetime no-claim discount protection, this will only cover claims while you or your husband or wife are driving your car. You can buy protected no-claim discount protection on top of lifetime protection if you need cover for other drivers named on your policy.

section 10 replacement car plus

Your schedule will show if you have this cover.

A claim under this section will not affect your no-claims discount.

If your car is damaged as a result of an accident, fire or theft, or if it is stolen and not recovered we will provide you with a courtesy car provided we are dealing with a claim under section 1 Loss or damage to your vehicle or Section 4 Liability to Others.

- We hope to provide you with a courtesy car that is a similar physical size to your car up to 2000cc, although we do not guarantee that this will occur. (Your courtesy car may not be the same as your own vehicle in terms of size, type value or status) OR
- Pay towards you hiring a car up to €22 a day including VAT

Cover will be for up to 14 days in a row for any one incident as determined by our AXA motor engineer.

This cover is available at an additional premium.

What is not covered under this section

We will not pay this benefit if

- You are only claiming windscreen or glass damage
- The loss takes place outside Northern Ireland or the Republic of Ireland
- Repairs to your car are delayed while a part is being imported from outside the European Union

section 11

legal cover

Your schedule will show if you have this cover.

A claim under this section will not affect your no-claims discount.

Part 1

You are covered for reasonable solicitor's fees to go ahead with legal proceedings for compensation arising from a road-traffic accident while you are in your car, against those whose negligence has caused your injury or death, or caused you to lose insurance policy excess or other out-of-pocket expenses you are not insured for.

Part 2

You are covered for reasonable solicitor's fees to defend legal proceedings against you in a criminal court that are a result of a motoring offence alleged against you while you were driving your car.

Limits

- The most we will pay is €100,000, or €25,000 for claims under section 2.

Significant exclusions or limits

This insurance only covers solicitor's fees from our panel solicitors. You are not covered for any solicitor's fees if you appoint any other solicitor to act for you.

It is an important condition of this insurance that there must be a reasonable chance of success in the legal action, before we will accept a claim for legal costs.

There is no cover for the following.

- Solicitor's fees that we have not given our permission for, or that are above the value of your claim
- Fines or penalties.
- Solicitor's fees from events that happened or you knew about, before the period of insurance.
- Prosecutions relating to parking offences, allegations of driving under the influence of drink or drugs, or violence or intentional dishonesty, including driving without a valid driving licence or other licence or certificate as needed by law.

- Pleas in mitigation, unless we believe that a plea will have a significant positive effect on the sentence.
- Judicial reviews.
- Claims brought using the Injuries Board (IB), other than those in relating to the IB application fee.
- Claims where the value of your claim is not more than €350.

You and the solicitor must do the following.

- Provide us with any information that we need (you must pay any costs).
- Keep us regularly updated on the progress of the case, and tell us about any offer of settlement the other person makes.

To make a claim under this section of cover, phone 01 865 8807 (9am to 5pm, Monday to Friday) and quote 'AXA Insurance – Private Car Extra'.

section 12

motor rescue

If you have bought motor rescue you must use the number **1890 24 7 365.** (00353 1 8583200 from the UK). We suggest you put these numbers in your mobile phone immediately. We will not pay any expenses you may have to pay if you have not called the emergency number first.

Here to help

This cover may apply to your policy. Your schedule will show if you have this cover.

A claim under this section will not affect your no-claims discount.

For this section 'you' will mean any driver who is driving your car who is covered under this policy of insurance.

What is covered

We will arrange and pay the benefits set out on page 37 if your car cannot be driven as a result of the following within Ireland or the UK (excluding islands off the coast) when you are over 2 kilometres from home:

- electrical or mechanical breakdown;
- the car does not start;
- accident or fire;
- theft, attempted theft or malicious damage;
- punctures where you need help to replace or repair a wheel;
- loss or theft of keys;
- breakage of keys in the lock, or keys locked into the car; or
- loss of, or running out, of fuel.

Benefits

1 Roadside assistance when over two kilometres from home –

We will send a repairer to help you. If repairs are possible, we will provide up to one hour's labour to repair your car, as long as the repair is carried out at the scene.

2 Towing – We will cover the cost of towing your car to the nearest repairer or to any other place you ask, if this is closer. If you choose to have your car brought to a repairer and your car will arrive at the repairers outside

normal opening hours, we will cover the cost of towing it to a secure place and then on to the repairers when they open.

3 Passing on a message – We will pass on any relevant messages for you.

4 Completing the journey – If repairs to your car cannot be completed on the same day, we can arrange to have you and your passengers (but not hitchhikers) taken home or to your original intended destination within Ireland or the UK. We will arrange and pay for one of the following options, which we will decide.

- a To transport you and your passengers to the intended destination, and take your car to the nearest repairer, or nearest repairer to your home or chosen destination if this is closer.
- b Accommodation expenses for one night, limited to bed and breakfast while you and your passengers are waiting for repairs to your car to be completed. The most we will pay is €31.75 for each person and €127 in total.
- c Hiring a suitable vehicle for up to 48 hours as long as this is not more than the benefit we would have paid under option a above. We may provide public transport for you to return to the repairer to reclaim your car after it is repaired.
- d Any other solution which, we believe, is the most suitable to help you and arrange for your car to be repaired and transported.

5 If your car is stolen – If you are away from home and your car is stolen, we will arrange one of the benefits listed above to get you to your home or your intended destination.

6 Driveway assistance cover –

We will send a repairer to help you if your car fails to start or if your car breaks down within 2 kilometres of your home.

7 Extended towing cover –

We will cover the cost of towing your car to the nearest repairer, to your home or, if you choose, to your intended destination as long as the tow starts and ends on the island of Ireland (excluding any islands off the coast).

We will only pay if:

- you have contacted us using the emergency number **1890 24 7 365** (00353 1 8583200 from the UK);
- for attempted theft of your car, you have reported the theft to the gardaí or appropriate police authority; and
- you replace any faulty parts, including the battery, as soon as possible after discovering the fault.

What is not covered

- Any liability or resulting loss arising from anything performed or not performed as part of the services under this section.
- Any expenses which you can get back from any other source.
- Any claim where the car is carrying more passengers or towing a greater weight than that for which it was designed (as shown in the manufacturer's specification).
- Any claim arising out of driving your car on unsuitable ground.
- Any accident or breakdown brought about by deliberate act by you or another driver covered under this policy that could have been avoided.
- The cost of repairing the vehicle (except as outlined in the roadside and driveway assistance benefit on page 36).
- The cost of any parts, keys, lubricants, fluids or fuel.
- Any claim caused by fuels, mineral essences (such as oils or lubricants) or other materials that catch fire easily, explosives or poisons carried in the car.
- If we fail to perform any obligation for reasons beyond our reasonable control.
- Any claim where the vehicle is not the car covered under this policy.
- Any request for help if the person providing the service thinks you are under the influence of drink or drugs such that you would not be capable of legally driving a car.

section 14: cover for loss of value (depreciation cover)

You can buy this optional cover for an extra charge. Your schedule will show if you have chosen this cover.

Eligibility

You are eligible to buy this extra cover if:

- you have either comprehensive or third-party fire and theft cover under this policy; and
- it is over one year, but less than six years, since your car was first registered.

Definitions

In this section only, the following words have the same meaning wherever they appear.

Book value - The amount that we may pay for your car immediately prior to the loss or damage.

Consumer price index - The Government's official measure of how prices for goods and services rise and fall.

Purchase price - The price you paid for your car when you bought it. This includes the cost of any accessories added by the manufacturer or dealer who sold you the car. It does not include any other amounts, such as an amount you needed to pay off a loan or the cost of accessories fitted after you bought it.

Total loss - This is where your car:

- has been so badly damaged that its value after repair would be less than it would cost to repair it;
- cannot be repaired; or
- has been stolen and not found.

Temporary vehicle - A vehicle you ask us to cover temporarily as either a replacement vehicle, an extra vehicle, or a vehicle you are driving under clause 5b of your certificate of motor insurance.

What this section covers

Under this section, if you make a valid claim for loss of or damage to your car, and we decide that your car is a total loss, we will increase the amount we pay you under section 1 to:

- the purchase price of your car;
- the book value of your car when you bought it or €15,000 whichever is lower.

Or, we may instead choose to provide a car of the same make, model, features and age as your car was when you bought it.

If you bought your car from a motor dealer we will ask you to provide a copy of the invoice when you make a claim. If you bought your car privately, we will consider the purchase price to be the book value of your car on the day you bought it.

Conditions of cover

You must keep to the following conditions to have the full protection of this section. If you do not keep to them, we may cancel this section or settle your claim in line with section 1.

- Any invoice for buying your car must be in your or your partner's name.
- You must have paid or agreed to pay the extra premium for this section.
- At all times you must keep your car insured for its full value.
- We must have accepted your claim under section 1 and decided that your car is a total loss.

- You must have a valid National Car Test (NCT) certificate for your car at the time it is damaged or stolen, unless your car does not have to take a National Car Test.
- You must never use your car to make deliveries or collections, or to carry passengers, for business purposes.

- You must never use your car for rallying or racing.
- You must not significantly change your car and make it very different from one that the manufacturer could provide.
- You must use your car mainly in the Republic of Ireland.
- You must make your claim under section 1 within 120 days of the date your car is damaged or stolen.

Exceptions

This section does not cover the following.

- Any temporary vehicle.

- Any claim where we offer to replace your car with a new one.

- Any claim if the person who was driving your car when it was damaged was under the influence of alcohol or drugs not prescribed by his or her doctor.
- Any claim if another policy provides the same cover as this section.

If the amount we pay you under section 1 is reduced because:

- your car was already damaged or was not maintained properly; or
- you have kept the remains of your damaged car and can make money from selling them;

we will work out the amount we will pay under this section as if we had not reduced the amount we will pay under section 1.
